About Darling

Darling International Inc. is the largest publicly traded, food processing by-products recycling company in the United States. The Company recycles used restaurant cooking oil and by-products from the beef, pork and poultry processing industries into useable products such as tallow, feed-grade fats and meat and bone meal. These products are primarily sold to animal feed and oleo-chemical manufacturers around the world. In addition, the Company provides grease trap collection services and sells equipment to restaurants.
